

MUSIC, AREA OF CONCENTRATION IN ARTS & SCIENCES (AA)

Area of Concentration in Arts & Sciences

Award: Associate of Arts Degree

No. of credits required: 60

For more information: Assistant Professor Richard Johnson, 443-412-2649; Assistant Professor Janice Mahinka, 443-412-2290; music@harford.edu; or Admissions, 443-412-2109.

Program Description

This program provides a variety of opportunities and courses for students who wish to study music either as preparation for a profession in one of many career fields or for personal enrichment.

Program Goals

Upon completion of the Associate of Arts, Area of Concentration in Music degree students will be able to:

1. Successfully transfer to a four-year institution.
2. Perform on a major instrument or voice with an evolved and informed aesthetic.
3. Evaluate historical perspectives of music.
4. Demonstrate proficiency in theoretical concepts.

Transfer Information

Although this program meets the first two years of requirements for music majors at most Maryland colleges, students who plan to transfer should check the requirements of the receiving institution. To facilitate transfer, students should consult with the music faculty early in their studies at HCC.

Employment Information

Music students have several career options in addition to teaching and performance careers, particularly if they combine their music major with courses in another field. There are employment possibilities in therapy, music management, booking agencies, sales, television, music libraries, recording and sound engineering, as well as digital/multimedia. See also the U.S. Bureau of Labor Statistics report for musicians and singers (<https://www.bls.gov/ooh/entertainment-and-sports/musicians-and-singers.htm>) as well as music directors and composers (<https://www.bls.gov/ooh/entertainment-and-sports/music-directors-and-composers.htm>).

Field Trip Statement

Courses in this program may require field trips.

Degree Requirements

Recommended Course Sequence

First Semester		Credits
MUS 103	Music Theory I	4
MUS 201	The Art of Listening I (GH) (D)	3
Applied Music ¹		1

Music Ensemble ²		1
General Elective ³		3
ENG 101	English Composition (GE)	3
Credits		15
Second Semester		
MUS 104	Music Theory II	4
MUS 202	The Art of Listening II (GH) (D)	3
MUS 215	Introduction to Electronic Music	3
Applied Music ¹		1
Music Ensemble ²		1
Mathematics Elective (GM) (https://catalog.harford.edu/general-education/#mathematics)		3
Credits		15
Third Semester
